SERVICEABLE LOCATIONS

NBN services are only available in select locations. Service qualification checks will be completed before starting the application however these checks do not guarantee serviceability of your premise.

NBN NEW DEVELOPMENT FEE

In instances where the service ordered is the first service at the address and the building is less than 10 years old, the wholesaler may forward on a New Development Charge of a maximum amount of \$300.

REQUIRED EQUIPMENT

The equipment required differs depending on the technology type.

HFC & FTTH – As part of the installation of this service a Network Termination Device will be installed into your premises. Your service then requires a router to distribute WiFi to multiple users in your home. Any router you use is required to be Ethernet WAN (E-WAN) compatible.

FTTN & FTTB – Your service requires a modem or router to distribute WiFi to multiple users in your home. Any modem/router you use is required to be VDSL2+ compatible.

Any third party equipment used in conjunction with the service is not the responsibility of Uniti. While it is possible to use some of these technology types without a router, Uniti does not recommend this for security reasons. For more information please review our Customer Service Agreement located at www.unitiwireless.com/legal.

INSTALLATION, RELOCATION AND CANCELLATION POLICY

For any queries regarding installation, relocation or cancellation please view the full policy at unitiwireless.com/legal.

FAILURE TO LAUNCH SERVICE

If you have signed up for a Uniti NBN service and decide not to proceed with the order you may be forwarded on fees incurred while pursuing your order to a maximum amount of \$150.

CRITICAL INFORMATION SUMMARY

RELOCATION OF SERVICE

If you decide to relocate your service and you are in a contract, then you will be required to pay an additional relocation fee that will be equal to the installation fee you paid at the commencement of your contract. More information can be found in the Installation, Relocation and Cancellation Policy found at unitiwireless.com/legal.

PAYMENT AND BILLING

Invoices can be paid via Bpoint or via Credit Card on your customer portal. Uniti provides invoices monthly via email which are accessible anytime via your customer portal.

CUSTOMER SUPPORT

If you are experiencing a problem with your service, please contact us on **1300 847 201** or email us at support@unitiwireless.com.

COMPLAINTS

If you are not satisfied with the outcome of your support request and wish to lodge a complaint, please contact us on **1300 847 201** or email us at complaints@unitiwireless.com. If you are not satisfied with the outcome of your complaint and wish to escalate the matter further, please email resolutions@unitiwireless.com.

NETWORK LIMITATIONS

As with all technology types, NBN services are sometimes susceptible to issues that are out of the control of the end user and the provider. If a technical issue arises with your service that Uniti is unable to rectify, or if Uniti determines it necessary for technical purposes, we may change the speed or data limit of your service. Your internal network and WiFi can impact your internet speeds, these are your responsibility to configure and maintain.

PROMOTIONAL OFFERS

Uniti may offer promotional codes as part of sales campaigns. Conditions for using these codes can be found at unitiwireless.com/legal and must be adhered to before we are able to apply the agreed terms of the promotion.
