

## REFER A FRIEND (\$50 eGIFT CARD) PROGRAM

### Terms and Conditions

These terms and conditions (**Terms**) apply to the 'Refer a Friend' promotion (**Promotion**) operated by Uniti Group Limited ABN 73 158 957 889 with its registered address at Level 1, 44 Currie Street, Adelaide SA 5000 (**Uniti**) from time to time.

By participating in the Promotion, you agree to be bound by these Terms and the [Prezzee eGift Cards Terms of Service](#) (which apply to any eGift Card obtained in connection with the Promotion).

#### 1. Participation

The Promotion is available to:

- (a) any current Uniti customer who is 16 years or older, has a current Australian residential address and has one (or more) active Uniti Internet services (**Existing Customer**); and
- (b) any new Uniti customer who signs-up for an Eligible Internet Service and is not otherwise excluded under these Terms (**New Customer**) and uses the Unique Referral Code of an Existing Customer during the sign-up process.

#### 2. Qualifying

In order for each of the Existing Customer and New Customer to qualify for the Promotion, the following conditions must be met:

- (a) the Existing Customer must provide their Unique Referral Code for the New Customer to use when signing up for an Eligible Internet Service; and
- (b) the New Customer must enter that Unique Referral Code (and not any other promotional code) when signing up for the Eligible Internet Service and pay the first monthly invoice (inclusive of set-up costs, if any) in full by the invoice due date. Sign-up can occur online via [unitiwireless.com](http://unitiwireless.com) or the Uniti Call Centre on 1300 847 201.

If a New Customer enters another promotional code during the sign-up process, the New Customer will not qualify for the Promotion but will obtain the benefit of the promotional code. Despite this, Uniti will permit the Existing Customer to qualify for the Promotion subject to the New Customer paying their first monthly invoice for the Eligible Internet Service as required.

### 3. eGift Cards

By qualifying for the Promotion, the Existing Customer and New Customer will each receive an eGift Card. In order to activate and redeem their eGift Card, the Existing Customer or New Customer (as applicable) will need to create an account with [Prezsee](#).

eGift Cards are subject to the [Prezsee eGift Cards Terms of Service](#), and not transferable or redeemable for cash. Any dispute or matter regarding the redemption or use of an eGift Card will be between the Existing Customer or New Customer (as applicable) and Prezsee Pty Ltd. Neither Uniti or this Promotion is affiliated with Prezsee Pty Ltd. Uniti reserves the right to substitute an eGift Card with another item of the same value without prior notice.

### 4. Ineligibility

The Promotion is not open to employees of Uniti Group Limited or any of its related companies, or members of the same household of an Existing Customer.

You cannot be a 'New Customer' if you have received any services from Uniti in the prior 6 month period to when the Eligible Internet Service is purchased using a Unique Referral Code. This applies only to services purchased from Uniti and does not apply to services purchased from any other related company of Uniti.

Uniti will have no obligations under the Promotion to any party who breaches these Terms. Any dispute or situation in respect of the Promotion will be resolved by Uniti in a manner it deems to be fairest to all concerned and that decision shall be final and binding.

### 5. Expiry

This Promotion will continue to apply until Uniti publishes notice the Promotion has ended on the Uniti website at [unitiwireless.com/legal](http://unitiwireless.com/legal).

### 6. General Terms

- (a) The Promotion cannot be combined with any other reward or promotion offered by Uniti, unless otherwise expressly stated by Uniti.
- (b) The Unique Referral Code of an Existing Customer can be used by multiple New Customers, unless Uniti notifies an Existing Customer otherwise. An Existing Customer must have a personal relationship with any referred New Customer. Unique Referral Codes cannot be offered or provided to any third party in exchange for money, opportunity or otherwise.
- (c) Participants in this Promotion agree that, if an eGift Card has been issued to an Existing Customer or New Customer and Uniti suspects that such party has acted fraudulently or obtained an unfair or unintended advantage under this Promotion, Uniti will be entitled to either cancel the issued eGift Card or, where the eGift Card has already been redeemed, apply an amount equivalent to the value of the redeemed eGift Card to the account held by that party

with Uniti.

- (d) Except for liability that cannot be excluded by law, Uniti accepts no liability for any event, circumstances, loss or expense arising from the Promotion or the taking or use of an eGift Card by any person. Any tax, liability, or duty incurred by a participant's participation in the Promotion is the responsibility of that participant.
- (e) Uniti may use and disclose the personal information of an Existing Customer or New Customer for the purposes of operating the Promotion, and in accordance with Uniti's Privacy Policy available at [www.unitiwireless.com/legal](http://www.unitiwireless.com/legal).
- (f) If any provision of these Terms is invalid or unenforceable under the law of any jurisdiction, it is to be read down or severed to the extent of the invalidity or unenforceability and that fact will not affect the remaining provisions.
- (g) The law of South Australia governs these Terms and the transactions contemplated by these Terms, and each of Uniti and any participant submits to the non-exclusive jurisdiction of the courts of that State and the Commonwealth of Australia.

## 7. Definitions

In these Terms:

**Eligible Internet Service** means a Uniti Fixed Wireless Internet Service offering offered from time to time and selected on a 12 month fixed contract plan. This does not include any other Internet service supplied by Uniti.

**eGift Card** means a [Prezzee](#) eGift Card worth \$50.

**Unique Referral Code** means the valid specific code allocated to each customer when they first signed-up with Uniti for any service. This specific code can be located in the customer portal, and only remains valid while the customer remains an Existing Customer.
